

Hendricks Reining Horses Inc.

New Program! Ride
with \$1M Trainer Dell
Hendricks in Texas

Train With Dell Hendricks

\$1 Million Dollar trainer and NRHA Open Futurity Champion Dell Hendricks is offering a new program in 2009! Accepting just 3 people at a time, Dell will work with riders at his Tioga, Texas facility for 5 days. Participants will ride with Dell and his assistant trainers, benefiting from hands on experience while watching and learning from the day to day operations of a world class training facility. Rather than a series of restrictive lessons, this is a great opportunity to see the inside of a world class reining operation. Both non pros and professionals will benefit.

The program is set up for each rider to bring one horse and ride with Dell from 9 am – 4 pm. Horses will be fed and stalled as part of the total package price, while meals and accommodations are for each participant to provide. The total cost of this program is \$750.00. Call for details if you are in need of a horse to participate.

Interested? If so, please fill out the form below, and send it along with a DVD of yourself riding to the address below. This will allow riders of similar abilities/goals to be scheduled together. The scheduling of riders will be done around Dell's show schedule. This is a great opportunity to better your training and show skills from one of the leading reining trainers in the world.
